No one remedy can cure in all cases, but we can show more real proof of the virtue of Arunonial On in its healing properties, from responsible men, who are above being bought, than can be produced for any other medicine.

We do not assert a cure for every malady to which the human amily are subject, but what we proclaim we can substantiate y living witnesses. The Arunonial Oil is a Nashville peparation and sold throughout the South and Southwest by all good drugglats and general dealers. The South may be justly proud that Dr. Clark, a native Tennessean, after much labor and research, has produced a really worthy medicine, which is bound to drive out much of the worthless, imported trash with which he country is flooded.
